

WVC Advisory Committee

The WVC Advisory Committee serves the teams and players of the WVC to conduct all regular-season, post-season and alumni business. The WVC is a non-profit and tax-exempt corporation and several of the advisory committee members also serve on the WVC, Inc's Board of Directors. Without the WVC Advisory Committee, the daily and yearly operations of the WVC simply would not be possible, and as Commissioner I am forever indebted to this incredible team of individuals.

Wisconsin Volleyball Conference

The Wisconsin Volleyball Conference is the largest venue for intercollegiate volleyball in the state. Beginning in 1992 with the first state championships tournament in Stevens Point, the Wisconsin Volleyball Conference has grown to include 44 men's and women's teams from Wisconsin State Universities and private colleges. A dual-match conference, the WVC prides itself in giving its participants a credible, collegiate varsity playing experience. The Wisconsin Volleyball Conference has become one of the nation's most respected and decorated conferences with our teams regularly finishing on or near the top of all divisions at the National Championships.
