THE RIGHT SOLUTIONS. RIGHT WHEN YOU NEED THEM.

We work hard to make your life easier. That includes everything from on-campus visits from your local Sales Pro to help you design the perfect uniform to giving you access to the world's top sports brands along with FREE, online team shops so parents, players and fans can quickly score what they need.

WE LET YOU ORDER FROM A HUMAN, NOT A PROGRAM

Designing your team apparel or uniforms on an inferior software program can lead to big issues, especially when there are many unknowns you'll need to solve for before making such an important purchase. These include art placement, embroidery vs. screen printing, licensing and more. A local BSN SPORTS Sales Pro can bring product samples to your campus, assist in the final design and ensure you follow the proper licensing rules so your gear is branded the right way, right from the start.

WE GIVE YOU ACCESS TO THE SAME MAJOR BRANDS AS VARSITY ATHLETICS

In addition to being the largest team distributor of Nike and Under Armour in the country, BSN SPORTS also stocks countless other brands, which means you'll have access to the most popular uniforms, apparel, equipment and footwear, and at discounted prices.

WE SHIP CUSTOM UNIFORMS IN 4 WEEKS OR LESS

Planning ahead not an option? BSN SPORTS uniforms are your solution. High quality and fully customizable, these uniforms ship in 4 weeks or less, making them the perfect option for cost- and time-conscious teams.

WE HAVE AWESOME TEAM SHOPS

Our team shops make it easy for parents and players to order branded gear while raising funds to offset registration and travel expenses—all while giving your school's brand and team more exposure.

BSN SPORTS VICTORY UNIFORM FOR THE WIN

We have quality Victory uniforms and fundamentals you need to outfit your team. Available in an array of fresh styles, colors and designs. Customize today.
